U. S. SENATE SELECT COMMITTEE
TO STUDY GOVERNMENTAL OPERATIONS
WITH RESPECT TO INTELLIGENCE ACTIVITIES (SSC)

Reference is made to the November 25, 1975, request by the SSC for access to certain FBI materials.

This is to advise you that materials in connection with Item 1 of the referenced request have been assembled and are available for review by SSC Staff Members in Room 4171, J. Edgar Hoover Building.

With regard to Item 2 of referenced request, it is noted that no inquiries were conducted by the FBI as a result of assertions which were attributed to William C. Sullivan, former Assistant to the Director of the FBI set forth in the November 3, 1975, issue of "Time" magazine. Concerning Item 3 of referenced request, it is noted a copy of the interview of and the written statement provided by William C. Sullivan on September 16, 1975, was submitted to the SSC along with other materials by memorandum dated November 26, 1975, in response to SSC request dated November 21, 1975. Specifically, this interview and statement are contained in Item 3 of the materials originally requested for access by SSC request dated October 31, 1975, and subsequently requested for delivery November 21, 1975.

In furtherance of the above interview of Mr. Sullivan, he was telephonically interviewed on October 20, 1975, and a copy of this interview is available for review by SSC Staff Members.
